Thank you for shopping with TOUCH SCREEN

"In Store Promotions have never been simpler"

The bottom line is a super fast and fully featured checkout solution. It's simple to operate making it easy to train new cashiers. Add to that the low profile - space saving design and your customers are sure to be impressed.

Integrated EFTPOS

- > Speed
- > Security
- > Accuracy
- > NatPOS Group Discounted Rates

Customer Loyalty provides points for purchases, integrated redemption and customer interactivity that generates repeat spending at a higher average spend.

National POS Systems will project manage the entire installation, co-ordinate a loyalty marketing strategy by supplying customer sign-up templates, acceptance forms and key tags for customer identification & store promotion. Manage bank EFTPOS & Telstra ISDN services, set up ADSL & networking services and assist shop fitters with check out design. Finally they will ensure store managers are well trained and structured for a smooth opening.

"It doesn't get Simpler than this"
